Crane Merchandising Systems – Europe, retain the right to amend this schedule.

If a course you require is not listed or available please contact the training department.
 (training@cranems.co.uk)

Please check our website regularly as courses on our new ranges of equipment will be added when appropriate.

Delegate reservation is available via <http://www.cranems.co.uk/technical/training/>,
As the availability and booking confirmation system is now fully automated fax reservations can no longer be accepted.

Please be aware of the new charging structure for training outlined below.

Training Charges 2012:

- The purchase of every 10 machines entitles the customer to one training credit.
- Credits will be valid from date of purchase of machines for a period of 12 months.
- A valid credit on date of booking course will entitle one engineer to one training course.
- Type of machines bought and courses booked do not have to match

If a company does not have any or sufficient training credits but have bought any machines within 12 months of date of booking there will be a charge of £30 per delegate per course.

If a company has not bought any machines in the previous 12 months the charge will be £60 per delegate per course.

These charges which are made at time of booking (cash or training credits) are non refundable unless the course is cancelled in writing 7 days prior to start of the course.
